Subject: 13th Street Extension

Gentlemen:

In October, 1967, a four-party agreement (copy attached) between you, the City, the County, and Trade-In Homes, Inc., was executed setting forth financing responsibility for the construction of the above captioned street. Plans are completed and the project is now ready for bidding.

Estimated cost for this project is \$400,000. The agreement provides that your share shall be 10%, but not to exceed \$25,000.

We ask that you issue a check to the City of Fort Wayne, Board of Public Works in the amount of \$25,000 covering your share of this project. If it all possible, we would like to have this within the next 30 days to assure construction this year.

If you have any questions, please feel free to contact the undersigned.

Yours truly,

THIRTEENTH STREET EXTENSION
BAER FIELD EXPRESSWAY

WHEREAS, in connection with designing the Baer Field Expressway, the State Highway Commission has asked for assurance that local government agencies will extend 13th Street, Baer Field, northward to connect with the Expressway; and

WHEREAS, representatives of the agencies involved have worked out a proposal for their joint participation in such extension as follows:

1) The Board of Aviation Commissioners would acquire and provide a minimum of Twenty (20) feet additional Right-Of-Way from Ferguson Road north to "C" Street; and

2) The Board of Aviation Commissioners would dedicate a Right-Of-Way One Hundred (100) feet wide from "C" Street north to the Baer Field property line; and

3) The Developers of Trade-In-Homes, Inc., would dedicate a Right-Of-Way One Hundred (100) feet wide from the north property line of Baer Field north to the proposed Baer Field Expressway; and

4) The Board of Public Works would be responsible for survey and design features of 13th Street; and

5) The parties would contribute to the cost of construction in the following proportions:

1) Board of Public Works	40%
2) Board of Allen County Commissioners	40%
3) Developers of Trade-In-Homes, Inc.	10%
4) Board of Aviation Commissioners	10% (but not to exceed \$25,000, representing no more than the cost of construction within the limits of Baer Field;) and

WHEREAS, travel on 13th Street was estimated to be approximately Ten Thousand (10,000) A.D.T. by the year of 1985, One Hundred (100) feet of Right-Of-Way is required. The immediate Extension of the existing Twenty Four (24) foot pavement was decided upon with an additional Twenty Four (24) foot pavement and a median proposed for the future, and is to be constructed when traffic warrants the construction of additional pavement; and

WHEREAS, the decision was made to attempt to obtain participation through Federal Aid Secondary Funds. Also monies acquired toward the construction of 13th Street from F.A.S. funds or land owned, other than Trade-In-Homes, will be deducted from the entire cost of construction. Therefore, the percentages as previously listed will remain the same.

NOW THEREFORE, The City of Fort Wayne (Board of Public Works), The Board of Allen County Commissioners, The Board of Aviation Commissioners, and the Developers of land owned by Trade-In-Homes, Inc., do hereby approve the above proposal and declare their intentions to participate in the extension of 13th Street to the Baer Field Expressway as therein set forth
